RE: Antidumping duty scope determination on aluminum extrusions from the People's Republic of China (A-570-967)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from SPX Cooling Technologies, Inc. (SPX). Commerce issued a final scope determination on 07/25/2014 that SPX fan blade assemblies which SPX imports are not within the scope of the antidumping duty order on aluminum extrusions from People's Republic of China (A-570-967).
2. Commerce determined that SPX's fan blade assemblies, which are composed of extruded aluminum fan blades, polypropylene end caps, a carbon steel shank, carbon steel counter weights, and steel blade hardware, are fully and permanently assembled at the time of entry and require no further finishing or fabrication prior to their use. Thus, Commerce determined that the fan blade assemblies meet the exclusion criteria for subassemblies that are finished goods and, therefore, are not within the scope of the antidumping order on aluminum extrusions from the People's Republic of China.
3. For all entries of fan blade assemblies not within the scope, as described above, that remain unliquidated on or after 11/12/2010, CBP shall terminate suspension and liquidate entries of fan blade assemblies which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to the fan blade assemblies not within the scope described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of fan blade assemblies entered, or withdrawn from warehouse, for consumption on or after 11/12/2010.
6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778

requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of aluminum extrusions from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
